

Use Restrictions

Mount Sneffels Wilderness

To protect natural resources and the wilderness experience, the following are **PROHIBITED** within the Mount Sneffels Wilderness:

-  Camping w/in 100 feet of a water source or designated trail.
-  Building a campfire w/in 100 feet of a water source or designated trail, above treeline, or anywhere in the East Dallas Creek Drainage.
-  Restraining a saddle or pack animal w/in 100 feet of a water source or designated trail or in violation of posted instructions. Animals must not be permitted to damage trees, soil, or vegetation.
-  Groups exceeding 15 persons and/or 25 heartbeats, including pack and saddle stock. Larger groups must separate into smaller groups and remain at least one mile apart at all times.
-  Failing to properly dispose of all garbage (pack it out) and leaving human waste in an exposed or unsanitary manner.
-  Shortcutting a switchback in a trail.
-  Damaging any natural feature. This includes, but is not limited to: falling or damaging trees, trenching, and vandalism.
-  Constructing any structure or improvement. This includes, but is not limited to: hitchrails, furniture, shelters, and rafts.

NOTICE

Violations are punishable by a maximum fine of \$5,000 and/or six months imprisonment (Title 16 USC 551). Other restrictions may apply. For more information, contact the Ouray Ranger District: 970-240-5300.
