- The best site for Wilderness Stewards is www.wilderness.net . This site will access:
 - The Aldo Leopold Wilderness Research Institute is lead research facility for federally funded designated Wilderness. It is a multi-agency federal operation.
 - The Aurthur Carhart Wilderness Training Center looks at the training needs with regards to the management of wilderness. They have also created educational materials for beyond agency personnel.
 - Information on the National Wilderness Preservation System - again multi agency. You can get a list of all the Wilderness Areas in a given state then get more specific information on a specific Wilderness Area.
 - Good links to educational materials on wilderness.
 - News updates regarding wilderness.

How can my family get in contact with me when I am out in the field in the case of an emergency?

- First they should try to reach Jon Nakae or Julie Knutson at the above phone numbers, or try the District front desk help (main District phone number). They will in turn try and reach you via radio.
- If no one above answers, they should call the Gifford Pinchot NF Dispatch at (360) 891-5140 and one of the radio dispatchers can try and reach you.
